# IT disposal

We offer an ethical and secure option for organisations of all sizes. We offer free data wiping, asset tracking and provide all of the necessary forms required.

# Request a call back

# For

# corporates

Big or small, we can help you with your IT disposal

Find out more

# Privacy and GDPR

We understand how important Data Security is for companies and we can offer a fully GDPR compliant service.
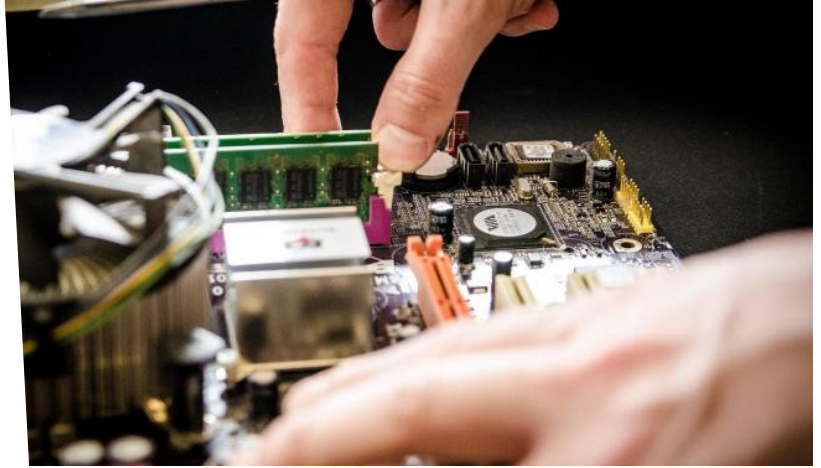

Find out more

# Environmental advocacy

E-waste is a fast growing issue, with between 20-50 million tons being produced around the world each year. Most of this waste isn't processed in an e

# IT donors

Companies who already use our IT disposal service

Find out more

# For individuals

We rarely accept individual donations anymore due to the cost of transporting it securely and a lack of storage space.
